Out now

June 2022

Dear Visitor

PHTM EXPO is once again sponsored by iCabbi, Autocab and minicabit and is being opened by the Department for Transport, who will also be picking the golden ticket in our fantastic **FREE** prize draw, when one lucky operator or taxi/private hire driver **WILL WIN** a **FABULOUS NEW HYBRID CAR** sponsored by Car 'n' Cab Care.

After a difficult two years the UK is finally open for business but our trade now has many new challenges to face and must react quickly to adapt to this new and evolving world.

CHANGE IS COMING ● KNOWLEDGE IS KEY

- We are the largest transport sector in the UK, yet we are repeatedly neglected by Government as we have been fragmented and weak
- It is now imperative that ALL members of our trade: hackney, private hire and chauffeurs, operators and drivers, UNITE with one voice and one clear message
- We will no longer be ignored - our industry is struggling and we need action now before it's too late

TOGETHER WE ARE STRONGER!

Come to the show to listen, learn and have your say with the people who are making the decisions that will impact the future of our industry

IT REALLY IS TIME TO MAKE THE TIME

Never has it been more important for you to:

Come and learn from our seminars

Never has it been more important for you to:

Come and see and test drive the latest trade vehicles

Never has it been more important for you to:

Come and try out the latest technology, products and services

Never has it been more important for you to:

Come and network with colleagues from across the country

PHTM looks forward to welcoming **ALL** of you - not only our loyal visitors who come every year but new visitors who've never been before and you never know...**YOU** might have the winning golden ticket and could be driving home in a brand new car!

THANK YOU TO OUR SPONSORS

Hello! We're delighted to once again sponsor the **PHTM Expo**. We look forward to the show every year and the opportunity it gives us to meet with our customer community and the wider taxi and private hire industry. This year is extra special as we will be celebrating the formation of the iCabbi Taxi Alliance, a business innovation that facilitates true partnership between iCabbi - the technology provider, and independent fleets. With upwards of 35,000 licenses, it's the world's largest taxi alliance – how cool is that?!

We've got plenty to talk about on our stand this year, so drop by and see us on stand 26 to see what our product team has been up to, find out what's happening next with the Taxi Alliance, what our vision for the future of the industry is, and more!

Autocab welcome you back to the **PHTM Expo** and is delighted to sponsor this year's event. Our award-winning solutions have supported the taxi and private hire industry in the UK for over 30 years' – our mission is to keep operators at the forefront of the industry, and the future of transportation.

Visit us on stand 37 to find out how our innovative solutions can help you and your business go further.

minicabit is the UK's largest, most visited cab comparison site and is proud to be sponsoring the **PHTM Expo** for the seventh year running. With average £60+ bookings and £8+ million of cab fares requested each month, visit us at Stand 38 to see how we can help boost your revenues to attract/retain drivers and switch to EVs.

Are you the next **Local Cab Operator?**

“ We’re really busy with the Local Cab work and our driver numbers are increasing too. ”

Nomaan Hussain

Owner
Jet Taxis

“ The driver shortages have been really difficult, but we’ve actually had a lot of new drivers approach us who want to work for us and increase their earnings. ”

Amir Khan

Manager
001 Taxis

“ The fact that Local Cab only uses drivers when they’re clear is a god send. It’s been a struggle so it’s just handy that they have these jobs when it’s a little quieter. ”

David Sherwood

General Manager
Amber Cars

A map of the United Kingdom, including Great Britain and Ireland, is shown in a light grey tone. It is populated with numerous location pins. Most pins are dark grey, but a significant number are magenta, particularly concentrated in the central and southern regions of England. Three specific pins in the south of England are highlighted with larger, more detailed logos: a red 'Jet' logo, a yellow '001' logo, and a yellow 'Autocab' logo.
